- b. if the football touches an Umpire or any Official and does not pass over the Goal or Behind Line, the football shall remain in play;
- c. if a football is Kicked by a Player on the attacking Team at the time when another Player is touching the football, the football shall be deemed to have been touched by that Player; and

12.1.5 Goal Umpire to Judge Goal or Behind

- a. The Goal Umpire shall decide whether a Goal or Behind has been scored but may, before deciding, consult with the field or Boundary Umpires. The decision of the Goal Umpire shall be final. The Goal Umpire shall only signal that a Goal or Behind has been scored when the Field Umpire signals "All Clear" or "Touched All Clear", as the case may be.
- b. Law 12.1.5 (a) does not apply if a Controlling Body prescribes that a Field Umpire may overrule the decision of a Goal Umpire who has not been appointed by the Controlling Body.

12.2 All Clear and Touched All Clear

12.2.1 Signal by Field Umpire

A Goal or a Behind shall only be signalled by a Goal Umpire and recorded as a Goal or Behind when:

- a. in the case of the football passing over the Goal or Behind Line, or touching or passing over the goal post, or touching padding or any other attachment to the goal post, the Field Umpire signals "All Clear"; and
- b. in the case of the football being touched by another Player and then passing over the Goal Line, or touching or passing over the goal post, the Field Umpire signals "Touched All Clear".

Upon being notified by the Goal Umpire, the Field Umpire shall stop play and signal "All Clear" or "Touched All Clear", as the case may be, and the Goal or Behind shall be signalled by the Goal Umpire and recorded as a score. Play shall then recommence in accordance with these Laws.
- b. Unless Law 12.4.1 applies, any Free Kick awarded to a Player before the Field Umpire signals All Clear or Touched All Clear under Law 12.2.2 (a) shall be cancelled.

12.3 Signalling a Goal or Behind

- b. A Goal Umpire shall signal that the scoring of a Goal or Behind has been changed

by:

- i) immediately standing on the centre of the Goal Line and holding both flags above their head in a crossed position; and

12.4 Relationship between Free Kicks and All Clear

12.4.1 Free Kick Awarded Before All Clear

Where a Free Kick is awarded to a Player immediately after the football passes the Goal or Behind Line but before the Field Umpire signals “All Clear” or “Touched All Clear”, the following shall apply:

- a. Where the Player is in attack the Field Umpire shall signal “All Clear” or “Touched All Clear”, after which the Goal Umpire shall signal and record the score. The Free Kick shall then be taken where the infringement occurred, or the position at which the football is brought back into play, whichever is the greater penalty against the offending Team.
- b. Where the Player is defending the Field Umpire shall not signal “All clear” or “Touched All Clear” and a Free Kick shall be awarded.

12.4.2 All Clear Given But Play has not Recommended

- a. Where a Free Kick is awarded to a Player during the period when the Field Umpire has signalled “All Clear” for a Goal to be recorded and the football is bounced in the Centre Circle, the Free Kick shall be taken where the infringement occurred, or at the Centre Circle, whichever is the greater penalty against the offending Team.
- b. Where a Free Kick is awarded to a Player after the Field Umpire has signalled “All Clear” or “Touched All Clear” for a Behind to be recorded but before the football is being brought back into play, the Free Kick shall be taken from the following positions:
 - i) in the case of a Free Kick being awarded to the defending Team, where the infringement occurred, or the Field Umpire shall award a Twenty-Five- / Fifty-Metre Penalty from the Kick-Off Line, whichever is the greater penalty against the attacking Team; or
 - ii) in the case of a Free Kick being awarded to the attacking Team, the centre of the Kick-Off Line, or where the infringement occurred, whichever is the greater penalty against the offending Team.

12.5 Scoring Goal or Behind after Play has Ended

12.5.1 Goal or Behind Recorded in Certain Circumstances

- a. the Goal or Behind is scored by a Player from a Free Kick or Mark which was awarded to the Player before play came to an end; or
- b. the Goal or Behind was scored by a Player who disposed of the football before play came to an end; or
- c. the Goal or Behind is scored by a Player who was awarded a Free Kick under Law 12.6.

12.5.2 Football Touched in Transit

A Behind shall still be recorded under Law 12.5.1 if the football is touched in transit by another Player, provided the Field Umpire is satisfied that the scoring of the Behind was not assisted by a Player from the same Team.

12.5.3 Field Umpire Sole Judge

A Field Umpire shall be the sole judge in deciding whether a Free Kick or Mark should be awarded or whether the football was disposed of by a Player before play came to an end.

12.6 Free Kick after Play has Ended

12.6.1 Before Kick or in the Act of Kicking

After a Field Umpire has signalled that play has come to an end, any Field Umpire may award a Free Kick to any Player when a Player is preparing to Kick or in the act of Kicking for Goal. In such a case, the following shall apply:

- a. if the Player awarded the Free Kick is playing for the attacking Team, the Free Kick shall be awarded to the Player where the infringement occurred or, the Player in the attacking Team who is preparing to Kick or in the act of Kicking for Goal shall be awarded a Twenty-Five- / Fifty-Metre Penalty, whichever is the greater penalty against the defending Team; or

12.6.2 After the Kick

After a Field Umpire has signalled that play has come to an end, any Field Umpire may award a Free Kick to any Player during the period when a Player has Kicked for Goal and the football is in transit or during the period when a Player has Kicked a Goal or Behind but before the Field Umpire has signalled “All Clear” or “Touched All Clear”. In such cases, the following shall apply:

- a. if the Player awarded the Free Kick is playing for the attacking Team and a Goal is Kicked, the Field Umpire shall signal “All Clear” and a Goal shall be recorded; or
- b. if the Player awarded the Free Kick is playing for the attacking Team and a Goal is not scored, then that Player may take the Free Kick where it was awarded (or where the football is at the time the Free Kick was awarded, whichever is the greater penalty) or, where a Behind is scored, elect to have the Behind recorded; or
- c. if the Player awarded the Free Kick is playing for the defending Team, the Player shall be awarded the Free Kick where the infringement occurred. For the avoidance of doubt, any Goal or Behind which would have been recorded in favour of the attacking Team but for the awarding of the Free Kick to a Player on the defending Team, shall not be recorded.

12.7 Recording Scores

A Controlling Body may appoint a person or persons to record the scores of a Match independently from the Goal Umpires. Where the Goal Umpires cannot agree on the final score of a Match, the Controlling Body may take into account the scores recorded by the person(s) so appointed to determine the result of a Match.

13. Kicking the Football into Play after a Behind has been Scored

13.1 Football must be Kicked

Unless Law 12.4 applies, when a Behind has been recorded, the following shall apply:

- a. the football must be Kicked back into play by any Player of the defending Team within a reasonable time;
- b. the football must be Kicked from within the Goal Square. For the avoidance of doubt, one foot of the Player must be behind any of the lines which define the Goal Square at the time when the Player Kicks the football;

If a Player fails to Kick the football back into play after being instructed to do so by a Field Umpire, the Field Umpire shall call "Play On". The Player shall be required to dispose of the football in accordance with Laws 13.1 (b) and (d). Opposing Players, however, may enter the Goal Square and tackle the Player with the football once "Play On" is called. The provisions of these Laws relating to Free Kicks shall apply.
- b. If the Field Umpire is of the opinion that a Player has not Kicked the football back into play in accordance with Law 13.1, the Field Umpire shall bounce the football on the centre of the Kick-Off Line to recommence play.

13.3 Kick into Play after Goal Umpire Signal

A Player of the defending Team may kick the football into play when the Goal Umpire has signalled that a behind has been scored.

- b. has prevented or attempted to prevent the Player from the defending Team from kicking the football back into play; or
- c. has otherwise delayed play

The Field Umpire shall award a Free Kick to the defending Team and advance the mark to the halfway line on 9- and 12-a-side Playing Surfaces, at the halfway line; or the back of the Centre Square on Full Format Playing Surfaces.

13.5 Official within Twenty-Five-Metre/Fifty-Metre Arc

Unless attending to an injured Player, no Official is permitted within the Twenty-Five-/Fifty-Metre Arc where marked, or in the same half of the ground as the football during the time when a defensive Player is preparing to Kick or in the act of Kicking the football back into play after a Behind has been scored.

Where an Official contravenes this Law, the opposing Team shall be awarded a Free Kick at the halfway line on 9- and 12-a-side Playing Surfaces; or at the back of the Centre Square on Full Format Playing Surfaces. The Free Kick is to be taken by the Player from the opposing Team who is closest to that location.

- a. if the Player does not retain possession of the football, play shall continue; or
- b. if the Player retains possession of the football and the Player is Correctly Tackled by an opponent, the Field Umpire shall bounce the football in accordance with Law 11.3.1, provided they are satisfied that the Player did not hear or see the signal of "Touched, Play On" or "Play On". If the

Field Umpire considers that the Player did hear or see the signal of “Touched, Play On” or “Play On”, Law 15.2.3 shall apply.

14.6 Field Umpire Cancels Mark

- a. Where a Field Umpire is of the opinion that they have incorrectly blown the whistle to award a mark that was not subsequently completed, they may cancel the decision and call “Play On”.

15.1.3 When a Free Kick may be Awarded

A Free Kick may be awarded when the football is or is not in play. For the avoidance of doubt, a Free Kick may be awarded:

- c. A Field Umpire shall award a Free Kick against a Player if they are of the opinion that a Player has contravened Law 15.2.2(b).

15.2.3 Holding the Football - Prior Opportunity/No Prior Opportunity

- d. a Player, whilst in the act of Kicking or Handballing, is swung off-balance and does not make contact with the football by either foot or hand, unless the Player has had a prior opportunity to Correctly Dispose of the football, in which case Law 15.2.3

(a) shall apply; or

- e. a Player is pulled or swung by one arm which causes the football to fall from the Player's hands, unless the Player has had a prior opportunity to Correctly Dispose of the football, in which case Law 15.2.3 (a) shall apply.

15.2.5 Diving on Top of the Football

Where a Player is in possession of the football by reason of diving on top of or dragging the football underneath their body, the Field Umpire shall award a Free Kick against that Player if they do not immediately knock the football clear or Correctly Dispose of the football when Correctly Tackled.

15.2.6 Football Held to the Body of a Player

The Field Umpire shall bounce the football when a Player, in the act of applying a Correct Tackle, holds the football to the body of the Player being Tackled or the football is otherwise pinned to the ground, unless the Player being Tackled has had a prior opportunity to Correctly Dispose of the football, in which case Law 15.2.3 (a) shall apply.

A Charge means an act of a Player colliding with an opposition Player where the amount of physical force used is unreasonable or unnecessary in the circumstances, irrespective of whether the Player is or is not in possession of the football or whether the Player is within 5 metres of the football.
- b. Without limiting the general application of Law 15.4.4 (a), a Charge occurs when a Player unreasonably or unnecessarily collides with an opposition Player:
- who is not within 5 metres of the football;
 - who, although within 5 metres of the football, is not in the immediate contest for the football and would not reasonably expect such contact;
 - who is attempting to Mark the football or who has Marked the football or been awarded a Free Kick;

- b. The Panel shall consist of three members of the clubs (not involved in the incident)/league/Controlling Body (as appropriate) and one member shall be elected Tribunal Chairman (the “Chairman”).

- Player and Umpire Advocates must not be registered members of the legal profession.
- If the hearing is being conducted in person, the Reported Player and Umpire may each communicate through an Advocate.
- If the hearing is being conducted remotely, no Advocates may attend.
- The hearing shall be held in the official language of the Controlling Body, unless all attendees mutually agree an alternative.

B.4 Communication

- Any member of the Panel may communicate with the Reported Player, the Umpire and with the Offended Player and any witnesses.
- For hearings conducted in person, the Reported Player and Umpire may communicate through their Advocates. If the Advocate for either the Reported Player or the Umpire is not in attendance, the Player or Umpire will communicate via the Panel.
- For remote hearings, communication with the Offended Player and any witnesses will be through the Panel. Statements, elaborations, clarifications and determination of the hearing shall be provided by email. The Panel shall confer by phone in making this determination.

B.4 Charge and Plea

The Chairman will ask the Umpire’s Advocate to read the charge. If the hearing is remote, the charge detailed on the notice of report shall be deemed to be the charge. The Reported Player is asked whether he pleads guilty or not guilty. Remote hearings shall establish this plea before proceeding.

B.5 Evidence

- The Chairman shall ask the Secretary as to whether there is video footage of the incident. If there is and the hearing is in person, it shall be played at this time. If the hearing is remote, the Panel will each review the footage individually.
- The Umpire, the Offended Player, any witnesses and the Reported Player shall then in turn give their evidence. The Advocates and the Panel shall be given the opportunity to ask questions related to the evidence provided.
- For hearings held in person, all persons aside from the person giving their evidence, the Umpire’s Advocate and the Player’s Advocate shall retire from the hearing until recalled by the Secretary. For hearings held remotely, written statements shall be given and the Panel may ask for further written clarification if needed.

B.6 Summary of Case

After all the evidence is given, the Umpires Advocate is given the opportunity to sum up on behalf of the Umpire. The Player’s Advocate is then given the opportunity to sum up the case on behalf of the Reported Player. This applies only to hearings held in person.

B.7 Deliberation and Delivery of Verdict

For hearings held in person, all persons except the Panel and the Secretary will leave the room. If the Panel requires any available video footage of the incident to be replayed, the Secretary will play this footage. Once all present have reviewed the vision, the Secretary will review the vision.

For hearings held remotely, the Panel will review the evidence presented including any available video footage. If necessary, the Chairman will summarise the evidence for the Panel.

- The Panel will consider the case and determine whether the Reported Player is Guilty or Not Guilty of the charge established at B.4 or another charge.
- When the decision is made, the Chairman will deliver it to all involved. If the hearing is held in person, all involved will be recalled by the Secretary to hear the verdict.
- If the Verdict is Not Guilty, the hearing is complete and all involved are excused. The Secretary will record the particulars of the hearing for future reference.
- If the Verdict is Guilty of either the charge established at B.4 or another charge, the Umpire and his or her Advocate, the Offended Player and any witnesses are excused. The Panel, the Secretary, the Reported Player and his or her Advocate remain.

B.8 Deliberation and Delivery of Penalty

The Chairman asks the Secretary to provide the Reported Player’s previous Tribunal History. The Secretary will provide a history in this league if the incident occurred in a Match conducted by a Controlling Body which was not AFL Europe. The Secretary will provide a history at AFL Europe level and (if available) in all Controlling Bodies affiliated with AFL Europe as defined by Law 2 if the incident occurred at international level or in a Match conducted by AFL Europe.

For hearings held in person, the Player’s Advocate may then address the Panel and call any character witnesses. The secretary shall leave whilst the Panel consider the pleas of the Advocate, the Reported Player and any witnesses.

For hearings held remotely, the Panel shall consider all pleas provided by the Reported Player and his or her character witnesses.

The Panel:

- a. will consider the type and grading of the charge to which the Player was ultimately found Guilty, with regard to the pleas received and the Schedule of Prescribed Penalties in Appendix A.
- b. has limited discretion in determining the Penalty and may not apply a lesser sanction than the Prescribed Penalty for the charge upheld. The Panel may suspend part of the Penalty applied, provided that the non-suspended portion of the Penalty is not less than the minimum required for the charge upheld.
- c. may – in addition to applying a playing Penalty – sanction the Player in a community-based manner, provided these sanctions are reasonable and relevant to the charge upheld. The Panel – in cases involving offences against Umpires – may choose to require the Player to play a role with the local umpiring organisation. The Panel may also penalise the Player's club, if the incident is indicative of a systemic issue or of repeated behaviour from the club. Club penalties may involve match points or be community-based.

For hearings held in person, the Reported Player, Advocate and the Secretary are recalled.

The Chairman delivers the Penalty. The Secretary will record the particulars of the hearing for future reference. All members are then excused and the hearing is complete.
